ABOUT ME

Strategic and results-driven International Expat Logistics Manager with 10+ years of proven success across humanitarian and corporate sectors. Validated international staff with Médecins Sans Frontières (MSF), leading high-impact logistics, fleet, and supply chain operations in crisis zones and complex environments. Expert in multimodal transport, eco-driving, cold chain management, and digital banking systems such as Tsys and IDMS. Renowned for reducing costs, driving sustainability, and leading high-performing teams under pressure, and currently excelling at DB Schenker while consulting for NGOs and private sector logistics, with an unwavering commitment to operational excellence and humanitarian values.

WORK EXPERIENCE

Aljazeera machinery Erbil, Baghdad, Musol , Iraq

Supply Chain and Logistics specialist

1 Aug 2025 – Current

- Spearheaded end-to-end inbound logistics and supplier coordination leveraging SAP, guaranteeing on-time, cost-optimized delivery of high-value printing equipment and consumables throughout Iraq, driving operational excellence.
- Revolutionized inventory and warehouse management using SAP, achieving near-perfect stock accuracy and consistently outperforming critical order fulfillment targets, minimizing downtime, and boosting efficiency.
- Led distribution and after-sales technical logistics with precision, elevating customer satisfaction through flawless machine installations, strategic preventive maintenance programs, and rapid-response troubleshooting, securing long-term client loyalty.

DB Schenker Erbil - Iraq. ERBIL

Logistics manager

15 Jan 2025 – 31 Jul 2025

- Directed comprehensive global logistics operations, driving seamless execution through strategic procurement, end-to-end supply chain coordination, and leadership of high-performing teams.
- Streamlined international shipments across land, sea, and air freight, optimizing freight forwarding, warehousing, and transport to ensure fast, secure, and fully compliant deliveries worldwide.
- Maximized operational efficiency and cost savings by leveraging data-driven demand forecasting, inventory optimization, and proactive issue resolution to maintain supply chain resilience and agility.

QI CARD Siirt, Türkiye

Supply Chain and Logistics specialist

1 Jun 2024 – 7 Jan 2025

- Led end-to-end inbound logistics and supplier coordination for Qi Card Bank System, ensuring timely and cost-effective delivery of high-value equipment and consumables across Iraq.
- Optimized inventory and warehouse operations to maintain high stock accuracy and consistently meet critical order fulfillment deadlines essential for banking operations.
- Coordinated distribution and after-sales technical logistics, enhancing customer satisfaction by facilitating smooth machine installations, scheduling preventive maintenance, and delivering rapid technical support.

MSF (Snuni, Mosul, Nablus, Erbil), Iraq

Logistics and Fleet

6 Aug 2017 – 12 May 2024

- Led fleet operations across MSF projects, managing documentation, GPS tracking, and transport of medical supplies with strict safety and compliance standards.
- Trained and supervised drivers and logistics teams, enhancing security, eco-driving, and maintenance practices for safer, more efficient operations.
- Directed end-to-end logistics, including procurement and supply chain coordination, ensuring timely delivery of critical supplies in complex field environments.

Social democrats Swedish (Darashakarn Camp Erbil), Iraq

Logistics manager

7 Jan 2014 – 31 Oct 2016

- Led logistics operations in a high-pressure refugee camp, ensuring timely delivery of essential supplies to displaced populations.
- Coordinated emergency supply chains, adapting to evolving humanitarian needs and maintaining continuity during crises.
- Managed cross-functional teams and resources, optimizing inventory, reducing waste, and upholding humanitarian standards.

PROJECTS

1 FEB 2025 – 31 JUL 2025

DB Schenker

- Coordinated multimodal freight operations (air, sea, and land) for international and domestic shipments, ensuring on-time delivery and cost-efficient logistics solutions.
- Utilized SAP to manage procurement, inventory, and shipment tracking, optimizing warehouse operations and improving supply chain visibility.
- Collaborated with customs brokers, carriers, and clients to resolve clearance issues, streamline documentation, and ensure full compliance with international trade regulations.

13 JUN 2024 – 7 JAN 2025

QI Card Projects Siirt, Türkiye

- Managed end-to-end supply chain and logistics for the QI Card project, coordinating procurement, inventory, and distribution to ensure timely card delivery across service locations.
- Oversaw payment transaction workflows, ensuring accuracy and compliance while maintaining data security for sensitive beneficiary information.
- Collaborated with government stakeholders and trained local staff to streamline card issuance and enhance beneficiary access to financial services.

MSF (Médecins Sans Frontières)

2019 | **Field Logistics & Fleet Management | Snuni & Mosul Projects, Iraq**

- Managed logistics operations and fleet support in Snuni and Mosul.
- Coordinated vehicle maintenance, scheduling, and fuel efficiency.
- Conducted field visits to assess logistical needs and vehicle readiness.

2020–2023 | **Hospital & Medical Logistics Support | Nablus & Snuni Projects, Iraq**

- Oversaw hospital logistics, including fleet management and equipment tracking.
- Managed procurement and distribution of medical supplies.
- Conducted field visits to monitor logistics processes.

2017-2024 | **Logistics Support & Backup LogCo Assistant** | **Erbil Coordination Office, Iraq**

- Supported MSF operations, including fleet management and emergency logistics.
- Acted as backup Logistics Coordinator Assistant and ensured operational readiness.
- Conducted regular field visits to evaluate logistics and fleet operations.

8 AUG 2014 – 31 OCT 2016

Social Democrats – Darashakran Refugee Camp Project

- **Community Welfare Focus:** Designed and executed community engagement projects that directly improved the social welfare of displaced individuals, ensuring their needs were met in terms of healthcare, education, and essential services.
- **Policy Development for Social Equity:** Collaborated in formulating policy initiatives that addressed the needs of marginalized groups, promoting social equity, and ensuring access to vital resources like food, shelter, and healthcare within the refugee camp.
- **Public Event Logistics Coordination:** Managed the logistics of large-scale public events and awareness campaigns, fostering community participation and raising awareness on key issues such as refugee rights, health, and education.

RECOMMENDATIONS

Daniar Shukur Qi Card Manager

Aso's dedication and efficiency shine in Qi Card customer management, especially his problem-solving under pressure.
