PROFILE

Dedicated and safety-conscious Operations Support Professional with 2.5 years of hands-on experience in airport and field operations. Experienced in operational support, inspections, communication, teamwork, safety compliance, and onboarding support in high-volume operational environments.

PROFESSIONAL EXPERIENCE

Operations Support / Ramp Staff

Kirkuk International Airport - Azmar Aviation Company | 2024 - Present

Support daily aircraft turnaround activities from arrival through departure. Conduct equipment inspections, operate GSE, support baggage handling, marshalling, operational communication, pushback coordination, onboarding of new employees, and maintain a zero-incident safety record.

KEY ACHIEVEMENTS

- 2.5+ years airport operations experience
- Supported up to 15-16 aircraft movements per day
- Worked within teams of approximately 20 personnel
- Zero workplace incidents or operational accidents
- Assisted onboarding and practical training of new employees

EDUCATION

University of Kirkuk - College of Law & Political Science
Bachelor of Law (In Progress) | Second Year | 2025 - Present
Secondary School Certificate - 2017
