Design & Events Coordinator

Profile

Design & Events Coordinator with a strong focus on visual identity, publications, and institutional design. Experienced in creating high-quality reports, branding systems, and event-related materials while supporting event execution. Skilled in managing multiple creative projects, maintaining brand consistency, and delivering effective design solutions for local and international organizations.

Experience

Design, Programs, Assisting & Coordination Roles

Rewaq Baghdad Center for Public Policy | 2020 – 2025

- Designed visual materials for programs and public events (invitations, roll-ups, ID cards, publications).
- Designed article and report covers for institutional publications.
- Supported the planning and execution of conferences, panels, and meetings.
- Assisted in space organization and interior setup for events and offices.
- Coordinated with internal teams and volunteers during major events.

Interior & Graphic Designer

Freelacer | 2017– 2025

- Created 2D plans and 3D models for interior and exterior design projects.
- Designed logos, visual identities, and graphic materials.
- Produced digital artwork and illustrations for various projects.

Interior Designer & 3D Modeler

D&D Decoration & Design | 2019

TNT Construction Company | 2019 – 2020

- Developed 3D models and technical drawings for interior design projects.
- Prepared design plans for residential and commercial spaces.
