WORK EXPERIENCE

IT SUPPORTER 2016-2017

Iqamat alraqia company/ Erbil,Iraq

As an IT Support Specialist, I excelled in providing comprehensive technical support to ensure the seamless operation of computer systems. My role encompassed troubleshooting and resolving diverse IT issues, conducting software installations, and optimizing hardware performance. My commitment to exceptional customer service and problem-solving skills consistently contributed to the reliability and efficiency of IT infrastructure.

WEB & GRAPHIC DESIGNER 2017-2023

BGT COMPANY/ Erbil,Iraq

As the lead Web & Graphic Designer at BGT Company, I was responsible for developing and maintaining the visual identity of the brand across digital and print platforms. Over six years, I played a key role in elevating the company's image, supporting its growth in the general trading industry.

BILLING SPECIALIST 2023 - 2024

WE ARE PLANETCOMPANY / WARSAW, POLAND

As a Billing Specialist at We Are Planet Company, I was responsible for managing invoicing operations, ensuring accuracy in billing records, and maintaining clear communication with both clients and internal departments. I played a key role in supporting the financial health of the organization by streamlining billing workflows and resolving discrepancies efficiently.

SYSTEM ADMINISTRATOR & IT SUPPORTER 9/2024 - 3/2025

IBERIA COMPANY / Erbil,Iraq

As a System Administrator and IT Supporter at Iberia Company, I manage the company's IT infrastructure, ensuring seamless system performance, network security, and user support. I provide both proactive maintenance and responsive troubleshooting, supporting the organization's daily operations and long-term technological goals.

Project Coordinator 3/2025 - PRESENT BIM COMPANY / Erbil,Iraq

Led a team of 6 engineers in the successful execution of the Runaki project. Oversaw technical coordination, design integration, and project planning. Actively participated in high-level meetings with Oliver Wyman and the Project Management Office (PMO) to align project goals, timelines, and risk mitigation strategies. Ensured smooth collaboration between engineering disciplines, optimized BIM workflows, and maintained compliance with all project standards.

Test Report Form

ACADEMIC

NOTE Admission to undergraduate and post graduate courses should be based on the ACADEMIC Reading and Writing Modules.
GENERAL TRAINING Reading and Writing Modules are **not** designed to test the full range of language skills required for academic purposes.
It is recommended that the candidate's language ability as indicated in this Test Report Form be re-assessed **after two years** from the date of the test.
