ABOUT ME

A highly skilled and versatile professional with a proven track record in graphic design, industrial design, decoration, and industrial animation. With a keen eye for detail and a passion for creativity, I have successfully transformed design concepts into reality, delivering exceptional decorative projects. Additionally, I bring extensive experience as a sales representative, achieving great results over four years in this role.

JOB EXPERIENCE

Graphic Designer – ATLAS LIGHT Company / Iraq

2024–2013

A seasoned and dynamic professional with over a decade of experience in industrial design, motion graphics, packaging design, product development, and decoration design. Renowned for consistently delivering innovative and high-quality solutions, I have successfully executed projects that have been implemented in real-world environments. My expertise spans various design disciplines, and I have played a pivotal role in the company's success by designing decor for more than three of its branches.

Graphic Designer – Foreign Trade Area Manager, ODUL For Home Appliances / Turkey

2020–present

My journey began with a strong foundation in industrial animation and graphic design, where I mastered the creation of compelling visual content for diverse audiences. Recognizing my potential beyond design, I was promoted to join the marketing and business development team, where I assumed the role of Foreign Trade Area Manager for the Iraqi market. In this capacity, I played a critical role in expanding the company's market presence by establishing strategic partnerships with high-profile companies and securing several successful long-term contracts. My contributions directly supported the company's international growth objectives and demonstrated my ability to drive revenue and foster sustainable business relationships across borders.]

Graphic Designer – ENSM For Electrical Appliances / Iraq

2024–present

With expertise in graphic design, packaging design, product development, and video production, my role is to bring a comprehensive skill set to the company. I ensure that all design elements align with brand identity and marketing goals.

Senior Graphic Designer – Neainy / United States

2014–present

Neainy is a creative custom software development company. I support the team with graphic design and communications to help bridge the gap between the company and its prospective Iraqi customers.

Real Estate Sales Representative – EXP Realty, Key For Dream Team / United States

2024–present (part-time)

Responsible for contacting expired property listings to engage potential clients and convert them into new property listings. Demonstrates strong communication skills and a customer-focused approach.
