About

I'm a 24 years old Information Technology graduate and Graphic Designer with 3 years of experience working in marketing agencies and currently freelancing. Passionate and detail-oriented, I specialize in branding, print design, and social media content. Proficient in Adobe Creative Suite, I've collaborated with diverse teams to create impactful visuals that strengthen brand identity and connect with audiences. My experience in multiple agencies has honed my creativity, adaptability, and ability to transform ideas into designs that truly resonate.
