Education

Expected in
2026-10

Economics

Deakin University - Melbourne

- During my bachelor's degree, I also studied accounting, management, commerce law, property investment, finance, business analytics, and marketing. I graduated with honors in management.

2023-10

High School Diploma

Sirius College - Melbourne

- I completed three years of VCE education, graduating with an 80th percentile ranking. My coursework included Business Management, Advanced Mathematics, Economics, and Advanced English, with top performance in Mathematics.
